

MANAGEMENT CASE STUDY MAY 2018 EXAM ANSWERS

Variant 5

Marking Guidance

Marking Guidance

The following marking guidance is based on the Management Case Study Exam May 2018, variant 5.

Questions and suggested answers for this variant can be found [here](#).

This marking guidance has been provided by CIMA for information purposes only. It is not to be considered exhaustive and alternative, valid approaches would earn marks.

Note: while the published weighting of competencies for the level would be reflected in the distribution of marks for each examination, there may be some small variations between different forms of the examination.

CIMA will not accept challenges to this marking guidance on the basis of academic judgement.

Marking Guidance
