

Behind every
successful CIMA[®] student
is the institution that
equipped them.

Get recognised today at the CIMA Academic Partner
Excellence Awards.

Thank you
for all you do.

As a CIMA academic partner, you've been working tirelessly to equip CIMA-qualified graduates and students for future-ready careers. You deserve to be recognised for your efforts.

To make that happen, we're rolling out the CIMA Academic Partner Excellence Awards, which are custom-designed to acknowledge the various roles that you have played in the success of CIMA students and graduates.

Through the CIMA Academic Partner Excellence Awards, we want to give you visibility and standing among employers and students by highlighting your institution as a premier CIMA partner. We also want to raise your institutional profile within the global accounting profession and give you an unparalleled competitive advantage.

Get
recognised
for what
you're good at.

No two learning institutions are alike, and we want to highlight what makes you special. We've designed multiple award categories to recognise the ways you've made a difference to CIMA students and graduates.

CIMA Teaching Excellence Award

This award recognises a CIMA subject lecturer who has demonstrated excellent engagement with CIMA students and effectively helped them to enhance their understanding of the subject taught.

CIMA Research Excellence Award

This award recognises researchers and research teams that have conducted landmark research efforts on a subject or topic related to the CIMA syllabus, such as accounting, digital finance, strategy and more.

CIMA Campus Culture Excellence Award

This award recognises academicians, faculties and student bodies that have launched successful campaigns to create awareness and promote the CIMA professional qualification within their campuses.

CIMA Employability Excellence Award

This award recognises academic partners who actively promote employer involvement and engagement between CIMA students and industry partners in the profession.

CIMA Prize-Winner Award

This exclusive award recognises the academic partner institution that trained CIMA's Top Student of The Year in each country.

CIMA Global Excellence Award

This award recognises academic partner institutions that achieve CIMA pass rates above the global average in the same calendar year.

Here's
where you
come in.

Award nominations are open for these four award categories:

- ▶ CIMA Teaching Excellence Award
- ▶ CIMA Research Excellence Award
- ▶ CIMA Campus Culture Excellence Award
- ▶ CIMA Employability Excellence Award

To kick-start your submission, drop us an email specifying the categories you'd like to run for and we'll get back to you with more details. The earlier you submit, the more time you have to fine-tune your application and maximise your chance of winning the award(s).

A central CIMA committee will award the final two award categories – the CIMA Prize Winner Award and the CIMA Global Excellence Award – based on global pass rates for the year of the award. Although nominations are not open for these two categories, you can maximise your chance of qualifying by encouraging CIMA students on your campus to take their exams before graduation students.

When will these awards be given out?

We're rolling out the CIMA Academic Partner Excellence Awards from 2020 onwards, with categories recognised annually.

Here's the timeline for the awards:

The cycle repeats yearly from March–February for subsequent years.
